Second translation resit exam

At its core, translation is when you transfer the meaning of a written text from one language to another. While the translator will choose just one method for the whole text, there are a number of techniques that can be used for individual words and phrases. By carefully choosing the right technique, the translator can convey each linguistic element in the most accurate way.

Write an essay in which you explain each of the techniques.

NB.

- ✓ Entitle the subject of your email as: TRANSLATION RESIT EXAM.
- ✓ Deadline: 08-06-2022 at midnight.
